

EXCITING FALL SEASON FOR HP ALUMNI GROUP

UNL Honors Program Alumni had a big weekend in October.

On October 4, the alumni chapter received a CORNY award for “Newcomer of the Year,” given by the Nebraska Alumni Association at their annual awards ceremony. HP Alumni Board president, Jenna Vitosh, accepted the award plaque on behalf of the group.

Then on Saturday, October 5th, the UNL Honors Program hosted the first ever alumni reunion. Organized by the HP Alumni Executive Board and HP staff, over 50 former members and graduates of the program got together in the Jackie Gaughan Multicultural Center following the Nebraska football game. The reunion was listed as one of the top 10 events in Lincoln that day by <http://www.hugecity.us>

Alumni Executive Board President Jenna Vitosh said, “We had a great turnout and enjoyed reconnecting with all who came. Stay tuned for future events. We are planning to organize more opportunities to gather with your former colleagues - maybe in your town! We have lofty goals to encourage reconnection throughout the alumni of the UNL Honors Program, and we are so excited for you to join us.”

GET “LINKEDIN” TO UNL HONORS PROGRAM ALUMNI

In an effort to consolidate methods of communication and make online tools easy to use, the UNL Honors Program encourages alumni to connect with the official UNL Alumni Association LinkedIn page. From there, alumni can search for other LinkedIn users with Honors Program connections. This will provide a more seamless experience rather than the UNL Honors Program Alumni having our own LinkedIn page.

Go to your personal Education Profile in LinkedIn and type “UNL Honors Program” under Activities and Societies. There are already more than 281 people with this distinction!

EXECUTIVE BOARD WORKS TO CONNECT ALUMNI WITH CURRENT STUDENTS AND GRADUATES

The UNL Honors Program Alumni Executive Board is working to help all members of the Honors Program – both past and present – stay connected.

Alumni can:

- *reconnect with past friends and classmates

- *seek information
- *help on various topics or needs within the Honors Program

Current students can contact alumni regarding:

- *career and relocation information

- *details about UNL Honors Program Alumni events

In order to make this happen, the UNL Honors Program Alumni Executive Board is asking for interested alumni to share their contact information with the board so a database can be created. **We have the names of all UNL Honors Program alumni but we don’t have your email or phone contact information.**
